Dear

ROSWELL MAGISTRATE COURT'S records indicate that you owe the court \$100.00 in outstanding fines and fees. To date, you have failed to respond to the court's attempts to collect this debt from you.

As a result, your name has been referred to the New Mexico Taxation and Revenue Department. The ROSWELL MAGISTRATE COURT intends to transfer \$45.00 from your 2006 personal state tax refund to satisfy the amount you owe the court, pursuant to the Tax Refund Intercept Program, Sections 7-2C-1 through 14, NMSA 1978.

Please be advised that if you disagree with this notice, you have the right to request a hearing. To request a hearing, you must contact the court at:

400 NORTH VIRGINIA STREET, SUITE G-1, ROSWELL, NM 88201 or call (505) 624-6088
within 30 days of the date indicated in this letter and state the reasons you believe you are entitled to the tax refund.

If you file a joint tax return your spouse may be entitled to receive all or part of the refund regardless of the debt you owe the magistrate court. However, if you or your spouse fail to request a hearing within 30 days, you or your spouse will be deemed to have waived any opportunity for a hearing and any claim you or your spouse might have with respect to this tax refund will be void.

If you wish to pay in full and avoid transfer of your refund, please send the full amount you owe the court. To expedite the removal of your name from the tax intercept program list a copy of this letter must accompany payment.

Sincerely

Fern Goodman
General Counsel
